To Whom It May Concern,

I am writing to highly recommend Mr. Emmanuel Kiprotich Kirui, who has been serving as an IT Volunteer at Kapkoros Sub-county Hospital since February 2025 to August 2025. During his time with us, Mr. Kirui has consistently demonstrated exceptional dedication, professionalism, and technical expertise in supporting our hospital's IT systems.

His contributions have been invaluable in ensuring smooth operations, resolving technical issues promptly, and assisting staff with digital solutions that enhance service delivery. In particular, Mr. Kirui has shown strong networking skills, including effectively diagnosing and resolving DHCP conflicts, which has greatly improved the reliability of our hospital's network infrastructure.

Mr. Kirui's commitment to teamwork, problem-solving skills, and willingness to go above and beyond has made a significant positive impact on our hospital. I am confident that he will be an asset to any organization he joins, bringing with him both technical proficiency and a strong sense of responsibility.

Please feel free to contact me should you require any further information.

Sincerely,
