RE: RECOMMENDATION LETTER FOR EMMANUEL KIPROTICH KIRUI

I am writing to highly recommend **Emmanuel Kiprotich Kirui** for any ICT Officer, IT Support, or Systems Administration role within your organization. Emmanuel has served as an **Assistant HRIO and IT Support professional** at Rexus Medical Centre since January 2026.

During his tenure, Emmanuel has managed a wide range of administrative and technical responsibilities. He handles daily data entry, provides critical troubleshooting for user queries, and manages client inquiries with utmost professionalism. He has also been instrumental in processing medical insurance claims with speed and accuracy.

Emmanuel holds a **Diploma in Information Technology from Kisii University** alongside professional certifications, including the **Google Cloud Cybersecurity Certificate**. This background gives him a security-first mindset that significantly enhances our facility's digital workflows. He is a fast learner, highly reliable, and works seamlessly with both technical and non-technical staff.

As our institution transitions into **Rexus Community Health Ltd**, we are confident that Emmanuel will be an exceptional asset to any forward-thinking IT team. He has my highest recommendation without reservation.

Please feel free to contact us if you require further information.

Sincerely,

FELIX KIPCHIRCHIR
